Information Bulletin No. BC-98-061

To: All WO and Field Officials
From: Director, National Business Center
Subject: Publications Distribution List

DD: 05/08/98

In preparation for upcoming requests from the National Archives for our FY 99 Code of Federal Regulations (CFR) requirements, please update the attached CFR order form. Also attached is a similar list for certain Department of Interior and BLM publications. Using the attached order forms, state offices should gather the information from their subordinate offices and submit a request for the entire state organization. Washington Office Group Administrators should consolidate the needs of their teams. Because costs for the publications continue to rise, please order the absolute minimum number necessary for your organization. Please note that more and more CFRs and other publications such as the Public Land Statistics are available on the Internet.

Please complete the attached forms and FAX them by May 8, 1998, to the Bureau Printing Officer, Lee Campbell, (BC-650-B) at (303) 236-9470.

If you have any questions or require assistance, please contact Lee at (303) 236-9422.
